PART I: GENERAL PART

1.1.1 1.1 Scope of Application

1.1.1 The Procuring and Disposing Entity invites applications from interested providers for registration for provision of works, services and supplies as described in **Appendix B**.

1.1.2 Through out this document:

- (a) The “Applicant” means the bidder submitting an application; and
- (b) “Application” means a bid or submission to be short-listed.

As defined in the Local Governments (Public Procurement and Disposal of Public Assets Act and Regulations), 2006.

1.1.2 1.2 Source of Funds

1.2.1 The Procuring and Disposing Entity has an approved budget from Government funds towards the cost of the procurements described in **Appendix B**. The Procuring and Disposing Entity intends to use these funds for payments under the contract(s) resulting from the bidding for which this registration is conducted.

1.1.3 1.3 Corrupt Practices

1.3.1 It is the Government of Uganda’s policy to require that Procuring and Disposing Entities, as well as Applicants, Providers and Providers, observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the Government of Uganda represented by the Public Procurement and Disposal of Public Assets Authority (herein referred to as the Authority):

- (a) Defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government contract.

1.3.2 In pursuit of the policy, the Government of Uganda requires representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and

Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.

PART II: INSTRUCTIONS TO PROVIDERS

1.1.4 2.1 Introduction

Kotido District Local Government will evaluate and short list all eligible firms and organizations for the provision of various works, services or supplies for the Financial Years 2020/2021. satisfied that such exclusion does not preclude effective competition for the provision of supplies or related services required; or

- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government of Uganda prohibits any import of Supplies from that country or any payments to persons or entities in that country”.

2.3.3 An Applicant shall be a natural person, private entity, government-owned entity, subject to 2.3.9, or any combination of them with the formal intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium or association. 2.3.4 An Applicant and all parties constituting the Applicant shall have the nationality of an eligible country. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen, or is constituted, incorporated or registered and operates in conformity with the provisions of the laws of that country.

No firm can be a subcontractor while submitting a bid individually or as a party of a joint venture in the same bidding process. A firm, if acting in the capacity of Subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Bidder who submits, or participates in, more than one bid will cause all the proposals in which the Bidder has participated to be disqualified.

2.3.8 A firm that is under a declaration of suspension by the Authority at the date of submission of the application or thereafter, shall be disqualified.
